Detached House for sale near MRT Si Kritha with elegant interiors

Presenting a substantial 6-bedroom, 5-bathroom detached house for sale in Bang Kapi, Bangkok. Situated in the Hua Mak subdistrict in the Bang Kapi district in the Bangkok province of Thailand, this two-storey residence offers a usable area of 404 square meters on 110 square wah of land (approximately 440 square meters, about 0.28 rai). The striking modern façade showcases a wide gated frontage, a deep covered carport and long upstairs balconies with glass railings. Floor-to-ceiling windows and sliding doors invite natural light while privacy curtains provide shade.

Inside, a bright main living and dining zone features glossy tiled floors, a crystal chandelier and concealed cassette air-conditioning. A separate formal lounge with coffered ceiling creates an elegant entertaining space, while a dedicated home office/library with extensive built-in shelving adds useful flexibility. Bedrooms are generously sized with warm wood floors; the primary suite includes a walk-in closet and dressing area. A modern kitchen is fitted with ample cabinetry, a gas hob, hood and refrigerator. Conveniently located near MRT station Si Kritha, the home offers easy city connections. A prime opportunity to buy a family residence or invest in a high-growth Bang Kapi address.
