Usable Area	931 sqm

Warehouse for rent in Bang Kho Laem with roller shutter access

Position your operations in a practical warehouse for rent in Bang Kho Laem, Bangkok. The frontage features a broad covered loading area with a high steel roof and open span for vehicle movement. Marked parking bays sit before a wide roller shutter and a small loading ramp, enabling trucks and pick-ups to load under shelter. The usable space is 931 square meters, accommodating storage and workflow needs. The land size is 155 square wah, approximately 620 square meters or about 0.39 rai, giving a manageable footprint for logistics. A trussed metal canopy stretches over the forecourt, helping to keep goods protected during loading and unloading while allowing easy drive-in access.

Clear maneuvering space between the forecourt and interior supports efficient goods handling, with simple access that suits daily deliveries. Visible elements include a roller shutter door, loading dock platform, glazed side panels, and security grilles along the facade. With covered loading, on-site parking and straightforward access, this warehouse for rent suits distribution, e-commerce staging, and city service teams seeking a central Bangkok base where vehicles can enter, park, and turn with ease. Viewings are encouraged so you can assess layout options and discuss lease terms tailored to your operations. Contact us to schedule a viewing.
