Set in Khlong Toei, Bangkok, this versatile Shophouse for rent delivers a ready-to-use, industrial aesthetic. The 100 sqm layout (about 25 sq wah or 0.0625 rai) features exposed brick walls, matte pendant lights, polished floor tiles, and frosted-glass partitions that create a private office or meeting room beside an elongated worktable. A welcoming lounge area with multiple sofas and a round coffee table sits by large black-framed windows, drawing ample natural light and leafy views. The plan also includes 1 bedroom and 1 bathroom, offering flexibility for a live–work arrangement or convenient back-office use. Clean white walls with exposed conduits reinforce the loft style and give the space character.

At the rear, a private courtyard with a concrete surface, metal gate, and rows of potted plants provides an outdoor breakout zone, display space, or extra storage.
