Usable Area	115 sqm

Warehouse for rent in Wang Thonglang with roll-up doors and wide driveway

This modern warehouse for rent in Wang Thonglang, Bangkok offers a practical layout for storage and light operations. The complex shows rows of new-build units with roll-up doors and a broad internal driveway that allows easy vehicle movement and simple loading. Parking is available directly in front of each bay, making day-to-day access convenient for staff and deliveries.

Inside, a bright mezzanine office overlooks the warehouse floor through long internal windows and is accessed by a sliding glass door. Clean finishes and durable flooring help create a ready-to-use workspace for administration or a small showroom. The usable area is 115 square meters, This scale suits e-commerce stockholding, small workshops, creative studios, or last-mile distribution needing straightforward access within Wang Thonglang, Bangkok. If you are seeking a fresh, thoughtfully planned warehouse for rent with on-site parking and simple loading via a roll-up door, this property is an excellent match.
