Modern Home Office for rent with elevator and glass-partitioned rooms

This contemporary multi-storey Home Office for rent in Chatuchak, Bangkok offers 600 sqm of flexible usable space. Set on 37 square wah of land (approximately 148 sqm, or about 0.09 rai), the property welcomes clients with a gated forecourt suitable for parking and loading. The modern facade features wide windows, while inside you'll find bright open areas with wood-style flooring, recessed LED lighting and glass-partitioned rooms ideal for meetings or private offices. A passenger elevator and wide staircases connect the levels for convenient circulation. The layout includes 8 bedrooms and 8 bathrooms, providing ample private rooms for staff, executives or storage.

Located in the Chatuchak district in the Bangkok province, the building sits within a vibrant commercial area of the city, home to well-known destinations such as Chatuchak Park, the Chatuchak Weekend Market, Central Ladprao and Union Mall. Large windows bring in natural light and air-conditioning units are already fitted, helping teams move in with ease. Whether you are growing a creative studio, education or medical office, or a corporate back office, this move-in-ready Home Office for rent provides the flexibility and presence your brand needs.
