**Retail Space for rent with glass frontage and open-plan floors**

This street-front Retail Space for rent is set in Sathon, Bangkok and offers an expansive footprint for your next concept. The usable area is approximately 512 sq m (~128 sq wah or ~0.32 rai) arranged over four levels, with an estimated 8 m frontage and 16 m depth and around 125 sq m per floor. The ground floor features a full-width glass shopfront, steps up from the pavement, high ceilings, glossy dark tile flooring, and an existing counter area. Structural columns create clear display zones, while large windows bring natural light to the interior.

Upper floors provide generous open rooms with windows, tiled walls and floors, and internal staircases, including a curved feature stair. Back-of-house spaces and storage areas are visible, along with existing electrical control panels and cabling to support a new fit-out. Presented in a raw condition and ready for refurbishment, the premises suit a variety of retail or service uses subject to relevant approvals. Positioned in the Sathon district of Bangkok, this versatile property combines visibility with adaptable space. Contact us today to arrange a viewing and discuss leasing options.
