Land for rent in Lat Krabang with 2 Rai 2 Ngan

Positioned in Lat Krabang district, Bangkok, this roadside land plot is for rent. The site spans 1,000 sq wah, offering a practical rectangular layout with an estimated frontage of 25.5 meters to the main road and a depth around 110 meters. The ground is level and mostly cleared, while a concrete boundary wall lines the sides and rear. Direct access from the paved dual-carriageway is supported by a footpath and roadside drainage, and overhead utility lines run along the frontage, making connections straightforward.

The visibility from the busy street and the generous proportions suit a wide range of rental uses such as a display yard, storage area, parking, or future commercial platform subject to approvals. Trucks and large vehicles can approach easily thanks to the wide entrance and open turning space. Located in Lat Krabang, Bangkok, the plot places your operation in an established eastern corridor with local services and neighborhoods close by. Enquire now to arrange a viewing and discuss lease terms for this well-located land for rent.
