Warehouse for sale in Bang Bon with gated entry and yard

Located in Bang Bon, Bangkok, this warehouse for sale offers 3,000 sqm of usable space on a substantial landholding of 1,862 square wah (approx. 7,448 sqm, about 4.66 rai). The main hall features a steel-frame structure with a high roof and an open floor layout suited to storage or light operations. Wide entry openings allow vehicle access, and pallets can be arranged along the sides. A broad concrete yard sits in front for maneuvering and on-site parking, while a covered loading area provides weather protection for loading and unloading.

The site is enclosed by perimeter fencing with a gated entrance. At the front, a small single-storey building and ancillary rooms under long canopies serve as practical space for office or staff use. Part of the property remains as open green land, creating options for future extension, outdoor storage, or additional parking to meet buyer needs. Set amid established industrial premises in Bang Bon, Bangkok, this land-and-building opportunity is ready for an owner-occupier or investor seeking to purchase a well-located logistics base.
