Warehouse for rent in Bang Kapi with wide truck access

Position your operations in a modern warehouse for rent in Bang Kapi, Bangkok. This clean, open-plan unit offers 144 square meters of usable space, on 36 square wah of land (approx. 144 sqm, about 0.09 rai). Inside, a high roof with a steel frame supports flexible storage layouts, while the smooth concrete floor suits pallet jacks and trolleys. Overhead lighting and translucent roof panels help brighten the work area, and large roller shutter access with separate pedestrian doors makes loading and daily entry straightforward.

Outside, the warehouse sits within a compound featuring a very wide central driveway, allowing trucks to approach, load, and maneuver with ease. Neighboring warehouse bays create a professional setting for light storage, e-commerce fulfillment, last-mile logistics, or small workshops. Located in Bang Kapi, Bangkok, this warehouse for rent delivers a practical base for businesses that value convenience and accessibility in the city. Contact us to schedule a viewing and see how this functional space can support your next stage of growth.
