Usable Area	1200 sqm

Land for rent in Pak Kret with road access

Land for rent in Pak Kret, Nonthaburi measuring 300 square wah (about 1,200 square meters or 0.75 rai). The usable space is 1,200 square meters. The images show a level, hardstand concrete surface across most of the plot, bordered by a low perimeter wall and light greenery. Access is from a concrete lane suitable for vehicles and trucks. Utility poles and overhead lines run along the frontage, and there are neighboring low-rise industrial-style buildings and a small outbuilding beside the plot.

The solid concrete yard makes this site well suited for setting up a warehouse, light fabrication or workshop activities, an equipment storage area, or fleet and container parking. Positioned in Pak Kret, Nonthaburi, the area is convenient to well-known district landmarks such as IMPACT Muang Thong Thani and Central Plaza Chaengwattana, with connections to the Si Rat Expressway and key routes in the zone. If you need a ready-to-use hardstand with straightforward road access to support operations and logistics, this plot is a practical choice. Contact us to arrange a viewing and discuss lease terms for your specific requirements.
